Virginia Chapter of NENA
c/o Jackie Carroll
3131 Forge Road
Toana, Virginia 23168

Dear Ms. Carroll and members of NENA,

You can only imagine my surprise when I was handed your envelope with the check enclosed. I was stunned to say the least. The fact that almost three years after George's death the members of NENA still remember George and our sons Kain and Seth is quite a testament to the members' kindness, thoughtfulness and generosity.

George loved his job and getting to know all the people associated with it. He would be so proud to know that such wonderful people are taking it upon themselves to see that the education funds for our sons continue to grow. This donation will truly make a difference.

Kain is a sophomore in high school and Seth is in the eighth grade. I can hardly believe that both boys will be headed to college soon thanks in large part to your efforts.

I hope my letter can be viewed by the members of NENA because I would like for all to know how very grateful I am for this incredible gift.

Most sincerely and with deepest gratitude,
